
Reconciling DTI in AUS with Octane

Debt-to-Income in AUS may not match with Octane because liabilities are not being counted towards the total net payment in the credit screen.

1. Review Liabilities:

- a. **Click** Credit Screen.
- b. **Click** Liabilities Tab.
- c. **Review** Net Payment column to see what liability is not being counted.

2. Change Liability Disposition:

- a. **Click** Liability's name.
- b. **Click** Disposition dropdown menu.
- c. **Select** Appropriate option.
 - i. **Select** Continuing if debt will not be paid off by closing.
