

Duplicate Address

Duplicated addresses happen once in a while. You'll need to delete the address and associate any mortgages to the correct address.

1. Remove Duplicate Address:

- a. **Click** Property Screen.
- b. **Select** Duplicate Address.
- c. **Click** Delete Property.

2. (If Applicable) Associate Mortgage:

- a. **Click** Credit Screen.
- b. **Click** Liabilities Tab.
- c. **Click** Name of the mortgage.
- d. **Click** Property Disposition.
- e. **Select** Appropriate property.
