
Cardinal Complete™ Acknowledgement Notice

The Cardinal Complete program enhances the loan submission and processing workflow for brokers by offering comprehensive support with essential loan processing tasks. By selecting the “Cardinal Complete” option when submitting a Loan Submission Package to Cardinal, brokers acknowledge and agree to the program’s terms and responsibilities as mortgage brokers and as further outlined in Cardinal’s Guidelines, including service level requirements to the consumer.

Cardinal Complete is available for \$895, which is built into the loan price.
